INTRODUCTORY PROVISIONS

SECTION 1.010, TITLE: This ordinance shall be known as the Wallowa County Land Development Ordinance of 1995.

SECTION 1.015, PURPOSE: The purpose of this ordinance is to implement the Wallowa County Land Use Plan through a comprehensive system of land use, land division, and land improvement regulations designed to conserve and protect the land, air, and water resources of the county and to promote the health, safety, and welfare of its citizens. In addition to the general objectives, the Comprehensive Land Use Regulation Program set forth in this ordinance seeks to assure patterns of land use and development that are consistent with the adequate provision of public services and which minimize threats to life and property from natural hazards such as floods. It is the intent of this ordinance to balance the rights of the property owner and the needs of the citizens by insuring the constitutional guarantees of "due process" and "equal protection".

SECTION 1.020, SCOPE AND COMPLIANCE:

01. The provisions of this ordinance set forth standards and criteria regulating the use, division, and improvement of all lands within the un-incorporated area of the County of Wallowa in the state of Oregon. In addition to complying with the provisions of this ordinance; all land use, land division, or land improvement must comply with all other local, state, or federal laws. With regard to federally controlled lands, the county seeks the highest possible degree of intergovernmental coordination and compliance with the management of these public lands consistent with the Wallowa County Comprehensive Land Use Plan.
02. No person shall engage nor cause to occur a use or development which does not comply with the regulations contained in this ordinance. Building, Local, or State Officials shall not issue a permit for the use or the construction, reconstruction, or alteration of a structure or part of a structure for which an approval, as required by this ordinance, has not been obtained.

SECTION 1.035, EFFECT OF ORDINANCE ON PENDING APPLICATIONS:

01. This ordinance applies to land use, land division, and land improvement proposals which have not been submitted to the Planning Department prior to the effective date of this ordinance.
