

WHAT IS A PREPAID POSTAGE ENVELOPE?

Beginning this year, all ballots in Oregon will be sent to voters with a prepaid postage return envelope.

You don't have to find a stamp

With prepaid postage, you no longer have to search for a stamp to mail back your voted ballot.

How does it work?

If you mail back your voted ballot, the Post Office will charge the State of Oregon for each ballot sent back to an Elections Official.

Only those ballots sent back through the mail will be charged to the State.

What about Drop Sites?

Using one of Wallowa County's 4 drop sites is faster, cheaper and more likely to reach us before the deadline.

Postmarks DO NOT count!

In Oregon, an Elections Official must have your ballot by 8:00pm on Election Night. If your ballot is still with the Post Office after 8:00 p.m. on Election night your vote will not count.
